Preliminary ELF Application – School Year _____

THIS APPLICATION IS DUE TO VINS BY JANUARY 15th

ELF (Environmental Learning for the Future) offers workshops that provide volunteer participants with training in natural history and teaching techniques in order to enhance the science curriculum on the elementary school level. The cost of this program for the upcoming school year will be as follows:

Single Town: \$3,200.00, with a minimum of \$1,100.00 of this total from the school’s budget.

Double Town \$3,800.00, with a minimum of \$800 of this total from each school’s budget.

Grad Town: \$1,100.00, with the total from the school’s budget.

A limited number of partial scholarships are available for towns in need. Towns are accepted into the ELF program depending on number of volunteers, administrative and teacher support, need for ELF enrichment, and financial commitment.
